Sir,

Subject - Purchase of a R C A magnetic Record Projector for Propaganda work

---

The question of providing a Magnetic Record projecter for propaganda work was under the consideration of the Council for some time past It has been found that any amount of oral advices imparted during Mohalla intensive works or days or periodical announcements in a van have had no effect on the public Visual education of the Public with regard to the advantages of a clean civic life and disadvantages and inconveniences caused as a result of insanitary habits is felt necessary By the improvement of these conditions there will be less strain on the usual work of the staff

In these circumstances a proposal to purchase a Magnetic Recorder was placed before the budget meetings of the Managing Committee and the Municipal Council, after obtaining quotations from some of the firms dealing in the equipment After examining the quotations, it was decided that the R C A Magnetic Recorder projector equipment of General Radio and Appliances Ltd., was most suitable Accordingly the Council have sanctiond the purchase of the above equipment at a cost of Rs. 6300/-

I enclose a copy of the resolution and request that orders of Government may kindly be obtained sanctioning the purchase

P T O

Due provision is made for the above under El 8 of the budget estimates for 55-56

Yours faithfully,

(N Laksnman Rau)
